Parent Handbook 2022-23

We are excited to meet your child. Our promise is to provide a safe, caring, and engaging learning environment. As parents and/or caregivers, you are your child's first teacher, and we are excited to journey alongside you as we create a foundation for lifelong learning.

The program philosophy will be that children learn best through play-based activities. We use a variety of free play and playful learning to plan a program based on the "whole child". Using various play and learning materials, each child will have opportunity to grow socially, physically, intellectually, creatively, spiritually, and emotionally.

Teacher Melissa *Owner and Early Childhood Educator*

This will be my second year having the privilege of being the owner and teacher at Discovery Nursery School. I graduated from Lethbridge Community College with honors in Early Childhood Education in 2006. I worked in a daycare when I graduated and then in 2007 opened a day home which I have had the privilege to run for 14 years. During that time, I got married to my husband Mike and we have been blessed with two daughters, Janessa, and Claire.

It is my pleasure to meet new and returning families to the new school year. My hope is that this newsletter will answer many of your questions but please feel free to contact me.

Fees and Payment Policies

In 2022, there have been changes to how childcare is funded in Alberta. It is great news for all preschool registrations. The government will pay \$75 of each child's monthly fee. There is also subsidy available for all families under the income threshold of \$180,000 to subsidize the remaining balance due. Please check out <https://www.alberta.ca/child-care-subsidy.aspx>

A non-refundable registration fee of \$50 is due at the time of registration via e-transfer to secure your child's spot. Starting in September, all fees are due by the 1st of the month.

If for any reason you need to withdraw your child from the program, one month's notice will be required.

Policies

Discipline: All discipline will be based on guiding children to responsible, cooperative, and respectful interactions with others. Physical punishment will never be an option but rather verbal interaction at the child's level.

Recordkeeping: A file will be kept for each child containing all emergency information such as doctor's name, AHC number, parent and emergency contact phone numbers as well as any medical information.

Medication: There will be forms available for emergency medications, like for allergies. Non-emergency medications will not be administered during classroom hours.

Arrival and departure: We would appreciate that your child does not arrive earlier than 5 minutes before class begins, and a prompt pick up at the end of class. Your child will need to be signed in and out of class every day at the preschool entrance. If someone, other than parents is picking up, the staff need to be informed or your child will not be released.

Belongings: Please ensure that your child's belongings are labelled including backpacks, lunch kits, indoor shoes, coats, etc.

Absences and Illnesses: Should your child be absent for any reason, please notify the staff. We require that all communicable disease be reported to the staff. All children who are not feeling well should stay home.

Emergency Evacuations: In the event of an emergency and an evacuation is required, we will walk as a group to Achieve Health and Wellness @ 20 Mt. Burke Blvd W. Arrangements will be made for all children to be picked up at that address. Staff will remain with children until they have been picked up.

Snack: Please send along a healthy, nut-free snack and a clearly labelled water bottle every day.

Smoking or Vaping: There is no smoking in or near the Nursery School.
